Extrait conditions de vente.

Any goods accepted with the delivery will be considered in conformity with the order and no return could be carried out without our agreement. During the delivery, the goods must be checked. In the event of reserves, those must be mentioned on the delivery order and be confirmed by letter registered in the 3 days following the reception. The reserves on the delivery order will have to be turned over to us in the 48 hours following the delivery. The delivered goods will remain our property until the last day of their integral payment in accordance with the law n°80.335 of May 12, 1980. Any non-payment not respecting the expiry fixed on the invoice, will involve calculated penalties with 1,5% of the legal rates of interest, raised of a flat-rate amount of 15% of the unpaid amount. Any bank charges contentious will be the responsibility of the debtor. in the event of dispute, the Commercial court of Nantes is only qualified.
